

Gary Ling grew up in the Watford area. He was educated at a local comprehensive school, and at Cassio College before going to University in Scotland. He knows the streets of Oxhey well since he used to be a milkman in the area. A committed Conservative, Gary was Chairman of the Watford Young Conservatives and was actively involved in local campaigns before taking up a commission in the Army. Gary is currently earning a Masters degree in Business at a Business School in London.

Dear Elector,

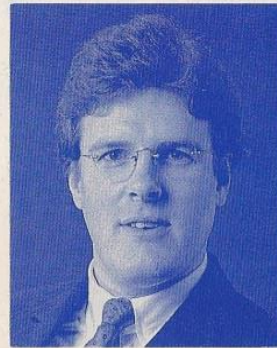

I wish to introduce myself as the Conservative candidate for this Ward. As you will no doubt be aware, there will be a crucial election on Thursday 3rd May.

It is my intention to try and be a good and conscientious Councillor and to represent all Constituents. I have been selected by the Conservatives to contest this election, which is a very important one, because as a local person I share the concerns and interests of the people of this area. Cliff Bate our long serving Conservative Councillor is retiring and I will endeavour to make sure that he will be replaced by a Conservative.

There are over 4,500 electors in this Ward and I obviously wish to speak to as many as possible, although this is a very difficult task in such a short period. I know that there are many local issues and problems that people wish to discuss. In the event of you being out when I call, you may wish to drop me a line at 187 Harwoods Road, or ring me on Watford 227330.
